Welcome to Bialy Oral Surgery!

Your dentist has referred you to our office so that our team effort will help optimize your oral health. Our practice provides state-of-the-art oral surgery care in a relaxed and comfortable setting. In upholding our partnership with your dentist, we are committed to exceeding patient expectations through the highest quality treatment and customer service.

1. Please bring this referral slip and x-rays (if available) on the day of your appointment.
2. Please bring a list of medication names and dosages.
3. If you have ever had rheumatic fever, diabetes, heart or vascular surgery, joint replacement, or if you are taking anticoagulant (blood thinning) medication, please call the office before the day of your appointment for special instructions.
4. Minors and college students must be accompanied by a parent or legal guardian.
5. Special Instructions for those receiving IV sedation:
 - **Do not eat or drink anything for 6 hours prior to surgery**
 - **You must be accompanied to the office by a responsible adult driver**
 - Take ALL medication you normally take with a small sip of water at your normally scheduled time, unless instructed otherwise.
 - Wear loose, comfortable clothing; short sleeves are preferred
 - Do not wear contact lenses
